## **Minutes of MCC Special Meeting 1/12/19**

Meeting called to order by Kathy Blum. The review of the bylaws began. Chris had set up a tv and attached his laptop. We were all able to see the bylaws on the screen. We reviewed and made changes if thought necessary to each article.

When the council was done a copy was given to each member to take home and review. At our monthly meeting on January 15th 2019 we will make any additional changes if necessary. If no additional changes are needed a vote will be taken to approve the New By-Laws.

Kathy
